Dear Chairman Pai,

I'm writing to support the Comments of the Cable Act Preservation Alliance ("CAPA") and to disapprove of the proposals and tentative conclusions set forth in the FCC's September 25 Further Notice of Proposed Rule Making in Implementation of Section 621(a)(1) of the Cable Communications Policy Act of 1984 as Amended by the Cable Television Consumer Protection and Competition Act of 1992, MB Docket 05- 311.

I believe that Public Access television is an essential part of our Democracy and these Cable Companies must fund it as part of their debt for using our public lands and resources in their business.

Thank you very much for your time. I hope you make the right decision.

Joshua Hyman
